Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work at the US 30 interchange with I-88 east of Rock Falls will begin on Monday, May 4, 2015. The project involves making pavement repairs and resurfacing US 30 and the ramps for the south side of the interchange. Twin City Construction is the contractor for the \$398,000 project that is scheduled to be completed by the end of May.

Drivers should be prepared to stop for flaggers who will be directing traffic past the work operations. Motorists should also be alert for workers along the travel lane and slow moving vehicles entering and exiting the work areas.

Please slow down and use extreme caution while driving through all work zones.
